PIZZA, POPCORN AND A MOVIE

Urban University's 2025 winter semester theme is "COURAGE". There is no better story to convey this message than the movie "Hidden Figures".

The **INTENTION** for this Movie Night is to build community, and to spark intentional conversations around subjects such as race, equality, hard work, community, friendship, faith, perseverance, and courage in the face of extreme discrimination.

We ask that you consider getting a babysitter for younger children that may not be able to give appropriate attention for the time frame and to the movie's themes. For further guidance, check out this [Movie Review by "Plugged In"](#).

This is a **FREE** event, however, to plan adequately for seating and food, **an advanced reservation is required by Friday, January 25 at 4:00PM. RSVP by text or email to 814.572.2365 or ecmyouth@eriecitymission.org** with the individual names and ages of those attending in your family. Thank you for understanding and respecting this deadline.
